HB 6592

To Senator Gerratana and Representative Johnson and members of the Public Health Committee:

My name is Christina Rovics, from Bethel, CT. I am writing in support of **Raised Bill 6592: An Act Concerning Certified Homeopaths**. I strongly support this bill for **statutory recognition**. I support allowing Homeopaths who have achieved the highest level of homeopathic education and training through national certification to be recognized to practice homeopathy in Connecticut.

Homeopathy is a safe, affordable and gentle modality of health care. Every member of my family has experienced significant improvement in health issues consulting with a highly trained homeopathist. We should not be forced to seek such care out of our state of Connecticut.

Please support Bill 6592.
